

Curriculum Vitae (September 6, 2016)

Sachiro KAKINOKI

Associate professor

Faculty of Chemistry, Materials and Bioengineering, Kansai University

Personal:

Birth Date: March 25, 1978

Birth Place: Osaka, Japan

Work address:

Department of Chemistry and Materials Engineering,

Faculty of Chemistry, Materials and Bioengineering

Kansai University

3-3-35 Yamate-cho, Suita, Osaka 564-8680, Japan

TEL & FAX: +81-6-6368-3033

e-mail: sachiro@kansai-u.ac.jp

Education:

Ph.D.; Graduate School of Engineering, Osaka Prefecture University, Osaka, Japan
(2005)

M.S.; Interdisciplinary Graduate School of Science and Technology, Kinki University,
Osaka, Japan (2002)

B.S.; Department of Nuclear Engineering, Kinki University, Osaka, Japan (2000)

Research and professional experience:

April 2005 – March 2007

Postdoctoral researcher, Biomaterial Center, National Institute of Materials and
Science, Ibaraki, Japan

April 2007 – March 2010

Postdoctoral researcher, Department of Biomedical Engineering, National
Cerebral and Cardiovascular Center Research Institute, Osaka, Japan

April 2010 – March 2014

Research staff, Department of Biomedical Engineering, National Cerebral and
Cardiovascular Center Research Institute, Osaka, Japan

April 2015 – present

Associate Professor, Department of Chemistry and Materials Engineering,
Faculty of Chemistry, Materials and Bioengineering, Kansai University

Awards:

- 2011 Yoshimi Memorial T.M.P Grant Award, Japanese Society for Artificial Organs (November 2011)
- Korea-Japan Biomaterials Research Young Investigator's Award, Japanese Society for Biomaterials (November, 2012)
- 2012 National Cerebral and Cardiovascular Research Institute Young Investigator's Award, National Cerebral and Cardiovascular Research Institute (January 2013)
- 2013 Young Investigator's Award, The Japanese Society for Regenerative Medicine

Membership of academic societies:

Japanese Society for Biomaterials (Councilor)
Japanese Society for Artificial Organs
The Japanese Society for Regenerative Medicine
The Society of Polymer Science, Japan
The Chemical Society of Japan
The Society of Fiber Science and Technology, Japan
The Japan Society of Drug Delivery System
The Japanese Peptide Society
Japanese Society of Radiation Chemistry

Publications:
